Additional Precautionary
Statements.

Net Contents:

The bio-based formulation of Heavy Duty Presoak Degreaser cuts through tough soils without solvents.

- Slices through built up dirt, grease, oils, and food residue.
- Ideal for use during rehab maintenance – shutdowns, outages, off-season cleaning.
- Use on all stationary equipment including presses, conveyor systems, bottling and packaging lines, storage racks, exhaust fans and ductwork.
- Safe for use on most hard surfaces including stainless steel, aluminum, rubber, vinyl, plastic, fiberglass and galvanized metals.
- Enzymes catalyze naturally-occurring bacteria to speed cleaning process.

World-Wise Certified formulation meets standards to be safer for environment and users.

- No hazardous components, no VOCs, ranked zero in all HMIS numbers.
- Enhances operation of water clarifiers, oily-water separators and other recirculating systems.
- Near neutral pH at use dilutions.
- Completely non-flammable.
- No phosphates.
- Non-toxic formula.

Batch#:

DIRECTIONS FOR USE:

Product is designed to be used as a presoak. For best results, dilute concentrate with 5-10 parts warm water in a portable sprayer.

Wet entire surface with product solution and allow the surface to remain wet for 15-30 minutes. Agitation will quicken the cleaning process. Avoid letting the solution dry on the surface.

Use a hose or pressure washer to rinse entire surface with potable water. Dry any unprotected metal surfaces.

Product is generally not effective with burned-on or carbonized grease.

Adjust contact time, agitation and concentration to maximize effectiveness.

FOR FOOD PLANT AND OTHER INDUSTRIAL USE:

Food contact surfaces are to be washed and rinsed with potable water before reuse.

EMERGENCY AND FIRST AID PROCEDURES:

EYES: Immediately flush with plenty of water for at least 15 minutes. Seek medical attention.

SKIN: Wash with soap and plenty of water. If symptoms develop, seek medical attention.

IF INHALED: Remove patient to fresh air. If symptoms develop, seek medical attention.

IF SWALLOWED: DO NOT induce vomiting. Get medical attention immediately.

An MSDS for this product is available through AMRO's website at www.amroproducts.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
