Statements.

Net Contents:

All Purpose Degreaser Cleaner Concentrate is one product that covers most daily housekeeping needs.

- Single product has multiple uses... floors, walls, washrooms, counters, tables, non-wooden desks and other casual furniture, chalkboards and white boards, smoking lounges, windows and mirrors, trash areas—any hard surface.
- Specifically-targeted enzymes and tough surfactants cut through built-up dirt, grease, grime, smoke, food residue, and soap scum.
- Concentrated formula provides great economy—especially when used with a blend center.
- Ideal for most cleaning applications—use in trigger sprayer, mop bucket, floor machine or low pressure sprayer.
- Fresh botanical scent leaves areas smelling clean.

World-Wise Certified indicates that product is safer for both the user and the environment.

- No hazardous components.
- No VOCs.
- Non-toxic formula assures safety for workers, customers, patients and students.
- May reduce or eliminate the need for reporting or compliance with numerous government regulations.
- Near neutral pH—will not dull, strip or streak finished floors.
- Formulated to help wash water stay cleaner, longer.
- Beneficial to drain system maintenance and waste water treatment operations.
- Non-flammable.

DIRECTIONS:

Below are suggested dilution rates for most applications:

- Light Duty: 128:1
- Medium Duty: 32:1 to 64:1
- Heavy Duty: 10:1

Do not spray or mist product at concentrations stronger than 32:1.

Adjust concentration, agitation and contact time to maximize cleaning performance.

Batch#:

DIRECTIONS: (continued)

SUGGESTIONS FOR USE WITH EQUIPMENT: To simplify your operation and maximize your economy, we strongly suggest using this product with a blend center for automatic dilution.

Mop-and-Bucket: Use a 32:1 solution for mopping floors. To avoid excessive foaming, put the water in the bucket first.

Trigger Sprayer: For general spray-and-wipe cleaning, use a 64:1 solution. For windows, mirrors and other glass surfaces, use a 128:1 solution.

Hosemaster Sprayer: To clean large areas such as shower rooms and locker rooms, fill the bottle with straight product. The Hosemaster automatically dilutes to preset rates.

EMERGENCY AND FIRST AID PROCEDURES:

EYES: Flush with cool water for at least 15 minutes while holding eyelids open. Call a physician or poison center.

SKIN: Wash with soap and plenty of water. If irritation persists, call a physician or poison center.

INHALATION: Remove to fresh air. If irritation persists, call a physician or poison control center.

INGESTION: DO NOT induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person. Call a physician or poison control center immediately.

An MSDS for this product is available through AMRO's website at www.amroproducts.com, providing 24 hour access. Please read the MSDS carefully and follow all directions when using or handling this product. Never reuse empty containers. Incompatible materials may adversely react.
